

## Example Schematic

## Features

- Absence Detection
- Daylight Harvesting
- Daylight Working Mode
- Projector/Interactive Board Mode
- Adult Working Mode
- User Preset Mode
- Raise / Lower Lighting
- Override Off
- Single Mains Connection to LCM
- LCM Provides Mains & DALI power
- Link LCMs for larger systems
- Pre-wired luminaires and sensors
- Pre-programmed replacement parts
- Optional Switches for Entrance
- Plug any device in any port

## System Parameters

- 64 mA DALI PSU per LCM
- Max 4 x LCM on one system for 256 mA

## Class Control Components

12 Port LCM DALI PS  
97-MCC108-407  
64mA (Source)

DALI Multisensor  
97-321-SLPG325  
6mA

Scene Plate  
97-125-202  
15mA

Switch Input  
97-444  
10mA
